Dear friends,

Thanks for your prompt orders for the front bonnet badges. The response was from sixteen different of you, enough to swamp me too much to get the next newsletter out on time. I therefore am writing to all who ordered badges by form letter.

This letter is a receipt for your order of the front bonnet badge(s). I recieved \$ 31.50 for 1 finished/unfinished badges which should be delivered within three months. I hope that estimate is an considerable overestimate. I am hoping for a time of one month, but MURPHY'S LAW holds. The next newsletter will tell more hopefully. Thank you again for your quick response.

Take care,

Joseph Rauh
