Action(s)

1 Previous Minutes ~ Adoption & Matters Arising

a. Committee Mtg: 30-Mar-19

The minutes were agreed & OK to be posted on website.

ML/PC

Matters Arising are included on the Agenda.

2 Committee Matters

a. Membership Survey

See Nigel's Report. 400+ responses which Nigel has surveyed, but needs more in depth analysis. Responses were overwhelmingly positive, with Sprint being particularly praised. They will help us to establish our "brand". The need to generate more tangible members discounts. The importance of ROs & regional activity to the community spirit. (implications that we need to support, share best practice etc.)

Nigel to coordinate analysis and suggest themes for Sprint articles. Nigel needs dates & photos for model launches etc. to drive engagement on facebook. NB ALL

b. Use of Skype for those presenting apologies

We could use this for members unable to attend, but wished to be involved in discussions. Mervyn to consult with BMM.

ML

c. Trevor Wilkinson Trophy

Some Forum discussion has queried the voting procedure. Some entries are "last minute" and geographically widespread. Agreed to continue the existing system for present.

d. Future IT Support

Mike has confirmed his intention to retire. Discussions are taking place with a prospective volunteer.

MH/RS

3 Financial & Membership Update

a. Current position

Paul presented his report. Membership Fees are currently ahead, but Advertising & Merchandise sales are below budget. Costs are within budget. The Club's investments fell in value, but in line with Stock Market decline.

Our reserves policy was agreed.

PB

The registered address of TVR Car Club Ltd is now the Club Office. It was agreed to fund scanning of our heritage assets.

Membership is 4783, All car clubs have concerns as membership ages.

PB/RS

4 Event Reports

a. TVRCC Burghley Horsepower: 6~7-Apr-19

A good turnout of 350+ cars. A great Time Line organised by Peter Billington. Bobble hats sold well due to cold weather!

b. TVRCC Race Festival: 5~6-May-19

Many thanks to Graham for the race organisation. The net cost was about £3000. A larger team would be needed for something similar in 2020. Andrew agreed to oversee all future event sponsorship.

AΗ

c. TVRCC Thrills in the Hills: 25-May-19

Another great run-out, 131 cars took part. We were "inspected" by an MSUK RLO who praised the level of organisation, the standard of driving and the courtesy of members. He would have no concerns about future runs in his region. He would like us to use MSUK "Signing On Sheets". Mervyn to investigate for future use.

Future Events

10 Points from Posted Reports & AOB

a. Model Register

The updating of the car database is continuing. The errors and duplicate entries removal is now back to 1992.

ML

b. Official Club Photographer

Ray feels we need an official event photographer to supply Sprint with quality copy. We may need to pay expenses etc. It was agreed that the geographical spread of events was too wide for one person. Agreed that it was down to event organisers to ensure photographs were part of their planning. Where are and how could the Club's existing photographs be accessed?

ALL

There is also a need to feed facebook with quality photographs.

c. Club Logo

There was some discussion whether the existing Club Logo matches our (unidentified) brand assets. To be continued when those are agreed at a future meeting.
