Trevor Wilkinson Trophy 2013

# Trevor Wilkinson Trophy 2013

This trophy was made by Trevor Wilkinson himself and presented to the TVRCC in 1997 to commemorate the 50<sup>th</sup> Anniversary of his founding of Trevcar Motors.

# Trevor Wilkinson Trophy 2013

2013 was another very hard year to judge with a very strong entry and potentially any one of the 3 finalists could have won in any other year.

# Trevor Wilkinson Trophy 2013

The first finalist, Nick Halstead, had originally entered for the 2012 competition, but admitted that by the end of 2012, the restoration was not quite complete.

His efforts were so good that it was decided that we should allow him an automatic entry for the 2013 competition.

# Trevor Wilkinson Trophy 2013

Nick Halstead's 1994 4.0 Chimaera

# Trevor Wilkinson Trophy 2013

Nick was joined by two other finalists.
