9th June 1964.

Dear Member,

It is with great regret that I have to tell you that, at the A.G.M. held on the 26th May 1964, the Members who attended voted in favour of disbanding the Club. This was due mainly to the fact that the Committee felt the Club Members were not supporting the events laid on by them and that, due to the lack of support, events were being run at a loss which was seriously depleting the Club funds. Also there were not enough new members joining to help offset this loss.

As the Committee were not prepared to carry on under these conditions and as it proved impossible to form a new Committee, it was reluctantly proposed and carried that the affairs of the Club be wound up.

I personally feel very sad that we shall not all be meeting again, as I do feel that the friendliness and general atmosphere was something certainly, in my experience, not to be found in many Motoring Clubs.

Those who have T.V.R. cars may be interested that there is a scheme afoot to start a T.V.R. register. If you are interested please contact C.R. Stanger, 4, Moordown Ave, Solihull, or go along to the Saxon Mill, Nr, Warwick, on Friday 12th June '64.

Yours sincerely,

p.p. A.Oakes-Richards.
